## LETTER OF INTRODUCTION

Dear Parents, Coaches and Players:

It is a pleasure to announce our 33rd Boy's High School Team Camps. Our camps have grown from 80 players representing eight schools thirty-two years ago, to over 2500 players from 250 schools last summer, making it one of the top camps in the Midwest. D-1 Camps emphasize statewide competition and are proud of the fact that D-1 TEAMS HAVE WON MORE SECTIONALS THAN ANY OTHER CAMP, SHOOTOUT, LEAGUE OR SCHOOL over the past 26 years. Our team camp sessions are spread over June and July to accommodate players and coaches who are involved with AAU and baseball.

The D-One High School Team Camp gives coaches and players a chance to meet and play against schools from sections of Indiana, Illinois, Michigan, and Ohio that they just couldn't play during the regular season. It also gives coaches a chance to work with all their staff and players from varsity thru 8th grade at one time on all phases of the game in preparation for the coming season.

All teams will play at least 14 games during the 4-day session which is almost equivalent of an extra season's playing experience.

Individual competition of one on one, dribbling, free throws, and 3 point shooting provide incentives to specialists.

We look forward to you joining us this summer.

## D-ONE HIGH SCHOOL TEAM CAMP CONCEPT

- ❖ School brings any and all players available in grades 12 thru junior high.
- ❖ Coaches assign players to teams in 4 categories (Varsity, Junior Varsity, Freshmen, Jr. High). Coaches can move players up and down as they see fit to benefit their school's program.
- ❖ Teams consisting of approximately 8 players per team will play round robin regular schedule of 11 games in each category listed above (4 day session).
- ❖ Competition will be in 40 minute mods with same modifications for summer play used in past.
- ❖ Upperclass players will be given instruction in responsibilities, roles and guidelines to build LEADERSHIP AND CHAIN OF COMMAND for coming season.
- ❖ Individuals will compete in competitions for 1 on 1, dribbling, free throws, and 3 point in each category listed above.
- ❖ Teams will play in single elimination tournament (guaranteed 2 games) with awards for tournament winners in each of above categories.

## REASONS WHY CAMPS TOPS MARKET

- ❖ College dining facilities ALL YOU CAN EAT.
- ❖ Provides best chance for school's coach to work with all their teams against top-flight competition from throughout the Midwest under IHSAA rules.
- ❖ Air-conditioned courts, sleeping dorms and video lounges.
- ❖ Uniforms laundered on coach's request.
- ❖ Courts available for practice.
- ❖ Guest speakers concentrate on skills and motivation as schedule permits.

Jerry Hoover enters his 33rd year of directing D-1 Basketball Camps. Enrollment has grown from 80 to over 3500 during that period. Sessions are now held on 5 campuses in 4 Midwest states. Hoover has 50 years coaching experience at both the high school and college levels. He is the only coach in Indiana high school history to turn losing programs into winning programs at 9 schools including Ben Davis, Lake Central, North Judson, Salem and Logansport. Hoover coached high school players who received over \$6,000,000 in scholarships including Randy Wittman of Indiana University, and Whitney Jennings of Logansport (Indiana Miss Basketball). Hoover is currently coaching varsity boys at Blackford High School.

Jerry has been an assistant coach at Indiana State University and Saint Joseph's for 14 years, giving him 50 total years coaching. He is also a retired Colonel (Infantry) with 32 years combined service. These experiences are the keystone of D-1 Camps "teaching fundamental skills so that young players have fun learning with a strong dose of discipline."

Hoover was inducted into the Indiana Basketball Hall of Fame in 2019.

### AARON GADBERRY - ASSISTANT CAMP DIRECTOR
