AIR-CONDITIONED HOUSING

Overnight campers are housed in University of Saint Francis' air-conditioned dorms. Counselors and team coaches provide supervision and advice for youngsters at all times.

LODGING

St. Francis housing has a total of around 500 beds available, located in 3 dorms. Each dorm has different number of beds available in each room: Bonzel Hall has 2 beds per room; Claire Hall has 5 beds per room; Padua Hall has 9 beds per room. Not all of these rooms are available for all sessions of D-One Camps, therefore the number of rooms/beds available for each session of D-One Camps will be updated on-line. Once all beds at St. Francis are reserved for any one session of camp, then coaches/schools can still attend that particular session but in a day camp status which entails arranging for their own lodging at area hotels. Several hotels have agreed to grant special rates available for D-One Schools; coaches/schools can contact Jerry Hoover about all housing matters. ST. FRANCIS HOUSING WILL BE RESERVED STRICTLY ON A FIRST COME-FIRST SERVE BASIS.

CAMP FACILITIES

Teams have complete use of all basketball & athletic facilities provided by DONE Basketball. 13 hardwood courts provide ample space for games, practice, individual instruction & stations.

LETTER OF INTRODUCTION

Dear Parents, Coaches and Players:

It is a pleasure to announce our 31st Girl's High School Team Camps. Our camps have grown from 80 players representing eight schools thirty years ago, to over 2500 players from 250 schools last summer, making it one of the top camps in the Midwest. D-1 Camps emphasize statewide competition and are proud of the fact that D-1 TEAMS HAVE WON MORE SECTIONALS THAN ANY OTHER CAMP, SHOOT-OUT, LEAGUE OR SCHOOL over the past 26 years. Our team camp sessions are spread over June and July to accommodate players and coaches who are involved with AAU and baseball.

The D-One High School Team Camp gives coaches and players a chance to meet and play against schools from sections of Indiana, Illinois, Michigan, and Ohio that they just couldn't play during the regular season. It also gives coaches a chance to work with all their staff and players from varsity thru 8th grade at same time on all phases of the game in preparation for the coming season.

All teams will play at least 14 games during the 4-day session which is almost equivalent of an extra season's playing experience.

Individual competition of one on one, dribbling, free throws, and 3 point shooting provide incentives to specialists.

We look forward to you joining us this summer.

D-ONE HIGH SCHOOL TEAM CAMP CONCEPT

❖ Coaches can bring Varsity, JV, Frosh, Jr. High or any combination at same time providing unique opportunity for staffs, teams, and programs to bond and unify.

❖ School may bring all players available in grades 12 thru junior high.

❖ Coaches assign players to teams in 4 categories (Varsity, Junior Varsity, Freshmen, Jr. High). Coaches can move players up and down as they see fit to benefit their school's program.

❖ Teams consisting of approximately 8 players per team will play round robin regular schedule of 11 games in each category listed above plus single elimination tournament (4-day session).

❖ Competition will be in 40 minute mods (16 minute quarters) with same modifications for summer play used in past.

❖ Upperclass players will be given instruction in responsibilities, roles and guidelines to build LEADERSHIP AND CHAIN OF COMMAND for coming season.

❖ Individuals will compete in competitions for 1 on 1, dribbling, free throws, and 3 point in each category listed above.

❖ Teams will play in single elimination tournament (guaranteed 2 games) with awards for tournament winners in each of above categories.

REASONS WHY CAMPS TOPS MARKET

❖ Provides best chance for school's coach to work with all their teams against top-flight competition from throughout the Midwest under IHSAA rules.

❖ College dining facilities - ALL YOU CAN EAT.

❖ Air-conditioned courts, sleeping dorms and video lounges.

❖ Uniforms laundered on coach's request.

❖ Courts available for practice.

❖ Guest speakers concentrate on skills and motivation as schedule permits.

STATE TOP COACHES QUOTES

"Our first year coming to D-One was 2012. We won 16 games the following season which was the most in 15 years for our program! We will be back every year!"

Sean Flemmings, Basketball Coach - Toledo Whitmer High School

"We have been bringing all the teams in our program for 12 years. Our girls and coaches look forward to D-1 and it has become a cornerstone to our whole approach to basketball."

Candy Wilson, Basketball Coach - Valparaiso High School

"D-One camp is the only camp I have attended where basketball is the absolute focus. It is an action packed week that will fatigue a team both physically and mentally and require all players to step up their games to help find success. We left the camp better than we were, with a great awareness of strengths and weaknesses. All players enjoyed the experience, and we will be looking forward to doing D-One again."

Darrick Cox, Basketball Coach, Batesville High School

"D-ONE has made another great move giving coaches 2 camps to choose from. Having fewer players for the summer D-ONE was just the camp to fit my needs. When numbers are available it gives coaches a chance to attend more than one D-ONE session."

Donna Cheatham, Varsity Basketball Coach - Scottsburg High School

"I have gone to D-One camps for the last 10 years. When I became a head coach, I knew that it was imperative that I get my girls to this camp. The girls love it, I love it, and the camp continues to get better each year! Not to mention it continues to be a significant component to our improvement!"

Rick Gregory, Basketball Coach, Whiting HS

"Bringing our players the past 5 years to D-One has really helped make our program better. The competition over 4 days has made us tougher and has helped with our success over the past few seasons. D-One Camp is 100% top notch."

Travis Galloway, Varsity Basketball Coach - Notre Dame Academy (Ohio)

"The 3-day camp at D-One was a great experience for the players and coaches. We felt like it was the perfect amount of games for our kids to play. The competition level at D-1 is unmatched, which keeps us coming back year after year."

Brett Freeman, Varsity Basketball Coach - South Adams High School

"There is no place else where you can play this much ball in this amount of time at this level of competition. Our kids look forward to coming here every year and I have no doubt that they are a better team when they leave."

Danielle Thomas, Basketball Coach - Tecumseh High School (Ohio)

"In my 15 years of coaching basketball Done Team Camp is by far the best team camp I have taken teams to. You will not find a better team camp in the country that will provide your team with a better basketball experience than you get at Done. You will play a variety of schools with all abilities, class size, and style. Done prepares your team for a successful season on and off the floor."

Kevin Richards, Basketball Coach, Groose Pointe South (MI)

"Going to D-1 Camp this year was one of the best decisions that the Madison Girls' Basketball program made grades 7 - 12. D-1 Camp raised the bar for us in our confidence, mental toughness, and overall ability to be a better program. As long as the D-1 Camp exists, it will always be a part of our summer routine in developing our program. There are not very many ways to push your program to its limits and have as much fun mixed in as attending D-1 Camp."

Sam Terrell, Basketball Coach, Madison HS

"I attended D-One Camps as a player, and now as a coach. D-One Camps has the best value of any shootout/tournament we have attended. Our players and coaches look forward to ending our summer season with D-One Team camp. It gives our entire program (7-12) an opportunity to bond, become mentally tougher, and develop leadership/mentoring skills that cannot be achieved at any other shootout/tournament."

Doug Springer, Head Basketball Coach, Northridge High School

TRAINING - MEDICAL

Qualified trainers will be on duty to examine and treat any injuries, bumps or bruises.

CAMP DIRECTORS

JERRY HOOVER

Jerry Hoover enters his 33rd year of directing D-1 Basketball Camps. Enrollment has grown from 80 to over 3,500 during that period. Sessions are now held on 5 campuses in 4 Midwest states. Hoover has 50 years coaching experience at both the high school and college levels. He is the only coach in Indiana high school history to turn losing programs into winning programs at 9 schools including Ben Davis, Lake Central, North Judson, Salem and Logansport. Hoover coached high school players who received over \$6,000,000 in scholarships including Randy Wittman of Indiana University and Whitney Jennings of Logansport (Indiana Miss Basketball). Hoover is currently coaching varsity boys at Blackford High School.

Jerry has been an assistant coach at Indiana State University and Saint Joseph's College for 14 years, giving him 50 total years coaching. He is also a retired Colonel (Infantry) with 32 years combined service. These experiences are the keystone of D-1 Camps "teaching fundamental skills so that young players have fun learning with a strong dose of discipline."

Hoover was inducted into the Indiana Basketball Hall of Fame in 2019.

AARON GADBERRY - ASSISTANT CAMP DIRECTOR

Aaron Gadberry has been with D-1 Camps since their beginning.

He was a high school player from Bloomfield High School. He led the state in free throw percentage and played for Hall of Fame Coach Steve Brett.

Aaron's liaison with many young coaches in Indiana has brought continuity to D-1 Camps operation.
