LETTER OF INTRODUCTION

Dear Parents, Coaches and Players:

It is a pleasure to announce our 27th Boy's High School Team Camps. Our camps have grown from 80 players representing eight schools twenty-six years ago, to over 2500 players from 250 schools last summer, making it one of the top camps in the Midwest. D-1 Camps emphasize statewide competition and are proud of the fact that D-1 teams have won more sectionals than any other camp, shootout, league or school over the past 26 years. Our team camp sessions are spread over June and July to accommodate players and coaches who are involved with AAU and baseball.

The D-One High School Team Camp gives coaches and players a chance to meet and play against schools from sections of Indiana, Illinois, Michigan, and Ohio that they just couldn't play during the regular season. It also gives coaches a chance to work with all their staff and players from varsity thru 8th grade at one time on all phases of the game in preparation for the coming season.

Teams will play at least 13 games during the 4-day session which is almost equivalent of an extra season's playing experience.

We look forward to you joining us this summer.

D-ONE HIGH SCHOOL TEAM CAMP CONCEPT

- ❖ School brings any and all players available in grades 12 thru junior high.
- ❖ Coaches assign players to teams in 4 categories (Varsity, Junior Varsity, Freshmen, Jr. High). Coaches can move players up and down as they see fit to benefit their school's program.
- ❖ Teams consisting of approximately 8 players per team will play round robin regular schedule of 11 games in each category listed above (4 day session).
- ❖ Competition will be in 40 minute mods with same modifications for summer play used in past.
- ❖ Upperclass players will be given instruction in responsibilities, roles and guidelines to build LEADERSHIP AND CHAIN OF COMMAND for coming season.
- ❖ Individuals will compete in competitions for 1 on 1, dribbling, free throws, and 3 point in each category listed above.
- ❖ Teams will play in single elimination tournament (guaranteed 2 games) with awards for tournament winners in each of above categories.

REASONS WHY CAMPS TOPS MARKET

- ❖ D-1 has not raised prices in 14 years (\$240 for overnight, \$200 for day campers.)
- ❖ Provides best chance for school's coach to work with all their teams against top-flight competition from throughout the Midwest under IHSAA rules.
- ❖ Air-conditioned courts, sleeping area and video lounges.
- ❖ Uniforms laundered on coach's request.
- ❖ Courts available for practice.
- ❖ Guest speakers concentrate on skills and motivation as schedule permits.
