"I attended D-One Camps as a player, and now as a coach. D-One Camps has the best value of any shootout/tournament we have attended. Our players and coaches look forward to ending our summer season with D-One Team camp. It gives our entire program (7-12) an opportunity to bond, become mentally tougher, and develop leadership/mentoring skills that cannot be achieved at any other shootout/tournament."

LETTER OF INTRODUCTION

Dear Parents, Coaches and Players:

It is a pleasure to announce our 26th Girl's High School Team Camps. Our camps have grown from 80 players representing eight schools twenty-five years ago, to over 2500 players from 250 schools last summer, making it the top camp in the Midwest. D-1 Camps emphasize statewide competition; D-1 teams won more IHSAA sectionals than any other camp, shoot out, league, or school. Our team camp sessions are spread over June and July to accommodate players and coaches who are involved with AAU and softball.

The D-One High School Team Camp gives coaches and players a chance to meet and play against schools from sections of Indiana, Illinois, Michigan, and Ohio that they just couldn't play during the regular season. It also gives coaches a chance to work with all their staff and players from varsity thru 8th grade at one time on all phases of the game in preparation for the coming season.

All teams will play at least 13 games during the 4-day session which is almost equivalent of an extra season's playing experience.

Individual competition of one on one, dribbling, free throws, and 3 point shooting provide incentives to specialists.

We look forward to you joining us this summer.

D-ONE HIGH SCHOOL TEAM CAMP CONCEPT

- ❖ Coaches can bring Varsity, JV, Frosh, Jr. High or any combination at same time providing unique opportunity for staffs, teams, and programs to bond and unify.
- ❖ School may bring all players available in grades 12 thru junior high.

- ❖ Coaches assign players to teams in 4 categories (Varsity, Junior Varsity, Freshmen, Jr. High). Coaches can move players up and down as they see fit to benefit their school's program.

- ❖ Teams consisting of approximately 8 players per team will play round robin regular schedule of 11 games in each category listed above (4-day session).

- ❖ Competition will be in 40 minute mods (16 minute quarters) with same modifications for summer play used in past.

- ❖ Upperclass players will be given instruction in responsibilities, roles and guidelines to build LEADERSHIP AND CHAIN OF COMMAND for coming season.

- ❖ Individuals will compete in competitions for 1 on 1, dribbling, free throws, and 3 point in each category listed above.

- ❖ Teams will play in single elimination tournament (guaranteed 2 games) with awards for tournament winners in each of above categories.

REASONS WHY CAMPS TOPS MARKET

- ❖ D-1 has not raised prices in 14 years. (\$240 for overnight, \$200 for day campers).

- ❖ Free shoes of choice are awarded to the team winning free throw competition at each session.

- ❖ More IHSAA Sectional Champs than any other Camp School Shootout, or League.
